

USAID
FROM THE AMERICAN PEOPLE

Welcome

Presenter: Ed Salt

**Treasure, Turf and Turmoil: The Dirty Dynamics
of Land and Natural Resource Conflict**

February 2011

Introductions

- Name
- Mission or Office where you work

Course objectives

In this course, participants will:

1. Understand critical connections among ENRM/biodiversity, LTPR and conflict to better conceptualize, design and manage integrated programs.
2. Use these concepts in simulated assessments of complex conflict situations
3. Learn about adaptive management, conflict-sensitive monitoring and evaluation, and other tools that allow managers to review and adapt to changing conflict and NRM situations.

Agenda

- Module 1: Understanding Key Issues and Concepts
- Module 2: Planning for Integrated Programs within USAID program cycles
- Module 3: Programming Concepts and Tools

Working together during the course

- Participate fully and support the participation of others
- Be here
- Be mindful of time
- Others?
